SkyJuice New England Rain Barrels

-  55 gallon, Terra Cotta, recycled food grade Barrels.
-  The fully screened intake port keeps mosquitoes, insects, and debris out.
-  The lid can be removed for easy cleaning and for storing hoses inside the barrel during the winter.
-  The brass spigot can be connected to a regular or soaker hose.
-  The over flow tubing is used to direct water away from the foundation or to join multiple barrels for additional capacity.

Collect rainwater from the roof each time it rains.

1/4 inch of rain on a 1,000 sq. foot roof will fill 2 barrels!

This reduces stormwater runoff.

DEP Discounted Price:

\$47*

* After the first 100, rainbarrels will be available for \$57

Order your Rain Barrel today!

1. To order a rain barrel, call Tina Klein, Recycling Coordinator at 978-446-7277 by April 20, 2005.
2. Make your check out to SkyJuice New England, and mail to: Tina Klein, 375 Merrimack Street, Room 34, Lowell, MA 01852 by April 22, 2005.
